**COMPANY WARRANTY:**

Although this remedy has been extensively tested under a large variety of conditions the registration holder does not warrant that it will be efficacious under all conditions because the action and effect thereof may be affected by factors such as abnormal climatic and storage conditions; quality of dilution water; compatibility with other substances not indicated on the label and the occurrence of resistance of the disease against the remedy concerned as well as by the method, time and accuracy of the application. The registration holder furthermore does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animal or the lack of performance of the remedy concerned due to failure of the user to follow the label instructions or to the occurrence of conditions which could not have been foreseen in terms of the registration. Consult the supplier in the event of any uncertainty.

This product is not classified as dangerous goods under the Australian Dangerous Goods Code, 6th Edition, for transport by Rail and Road.

**PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT:**  
DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

**STORAGE AND DISPOSAL:**  
KEEP OUT OF REACH OF CHILDREN.

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. All containers containing the concentrated product must be sealed properly once opened to prevent loss of ammonia and possible formation of crystals. Tumble or (preferably) pressure these containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on-site. If not re-using, break, crush or puncture and deliver empty packaging to an approved waste management facility.  
Drum Master eligible containers, not applicable in 1000 litre container. For 1000 litre IBC, empty contents fully. Close all valves and return to the manufacturer for re-fill or storage.

**SAFETY DIRECTIONS:**

May irritate the eyes and skin. Avoid contact with eyes and skin. Wash hands after use.

**FIRST AID**

If poisoning occurs, contact a doctor or Poisons Information Centre, Phone 13 11 26.

**MATERIAL SAFETY DATA SHEET:**

Additional information is listed in the Material Safety Data Sheet (MSDS) available from Spraygro Liquid Fertilizers on (08) 8447 7266 or www.spraygro.com.au
