PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT: DO NOT contaminate streams, rivers or waterways with the chemical or used containers. **55F-5**

STORAGE AND DISPOSAL: KEEP OUT OF REACH OF CHILDREN.

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. All containers containing the concentrated product must be sealed properly once opened to prevent loss of ammonia and possible formation of crystals. Triple, or (preferably) pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on-site. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. Drum Muster eligible containers, not applicable in 1000 litre container. For 1000 litre IBC, empty contents fully. Close all valves and return to the manufacture for refill or storage.

PHYTOTOXICITY RISKS:

Application Copper may solubilise and cause foliar phytotoxicity if mixed with acidic fertilisers (low pH) or fertilisers containing ammonia or EDTA.

SAFETY DIRECTIONS: May irritate the eyes and skin. Avoid contact with eyes and skin. Wash hands after use.
ADDITIONAL WARNING:
Hazards: Harmful if swallowed. Harmful in contact with skin. Causes serious eye and skin irritation. Harmful to aquatic life with long-lasting effects.
Prevention: Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Avoid release to the environment. Wear protective gloves/protective clothing/eye protection/face protection.
Response: Call a POISON CENTER or doctor if you feel unwell. Rinse mouth. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If eye irritation persists get medical advice/attention. If skin irritation occurs: Get medical advice/attention.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone 13 11 26

SAFETY DATA SHEET

Additional information is listed in the Safety Data Sheet (SDS) available from Spraygro Liquid Fertilizers on (08) 8447 7266 or www.spraygro.com.au. Copperguard® is a registered trademark.

COMPANY WARRANTY: Although this remedy has been extensively tested under a large variety of conditions the registration holder does not warrant that it will be efficacious under all conditions because the action and effect thereof may be affected by such as abnormal climatic and storage conditions; quality of dilution water, compatibility with other substances not indicated on the label and the occurrence of resistance of the disease against the remedy concerned as well as by the method, time and accuracy of the application. The registration holder furthermore does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animal or the lack of performance of the remedy concerned due to failure of the user to follow the label instructions or to the occurrence of conditions which could not have been foreseen in terms of the registration. Consult the supplier in the event of any uncertainty.
